

## Axel Van Halen Stephens Ray

December 23, 2015 - March 2, 2026

In Loving Memory of Axel Van Halen Stephens Ray.

Axel was born December 23, 2015. Axel went to the Golden Gate over the Rainbow Bridge to be with our Savior and King on March 2, 2026, he was 10 years old. Axel was a very big Doberman with a heart to match, loving, kind and loyal to his family and friends. Axel enjoyed his snacks and loved taking naps on and off throughout the day. He also barked at every train that passed over the tracks next to his home. In Axel's lifetime he served as a K9 police officer takedown dog for the Ironton Ohio Police Department. He retired that very early and came to live with his Dad, Harry Ray and his Mom Stephanie Lynn Stephens of Wurtland, Kentucky where he lived in his forever loving home. Axel has siblings Madison Carter and Braylon Bird, Preston and Wes Hay Brett Skyler Ray. Along with his siblings from his pack Remi, Storm, Rockie and Izzy his niece where he had most of his best times hanging out with all of them. Axel will always hold a special spot in everyone's heart, whoever got to love him and meet him. He was truly the king of kings as far as the pup world is considered, and he reigned proudly every single day. He will be forever in our hearts and probably those too who read this. He was just way too special, a different cloth at one of a kind. Rest in peace and we all hope to see you again one day at those gates.

Rest In Peace Axel
