Bambie Nicole Blue Tinkerbell also lovingly known as Bell for short was a 19 year old chihuahua, she loved her blue bunny and blue bear stuffed animal. Her favorite toys were always blue throughout the years. She loved meat sticks for dogs and small pieces of steak and grilled chicken. Bell's favorite thing to do was to be held and petted. Some favorite memories are chasing the squirrels together in our yard, sunbathing and napping together, and eating steak and chicken together.
