

## BellaDonna Plummer

July 5, 2025

BellaDonna was a 17 year old Pekingese, her favorite toy was bears and anything was her favorite treat. BellaDonna's favorite thing to do was keep her brother Benji and Rhiannon in line. She was head of the family. A favorite memory of BellaDonna was that she melted my heart daily, with playing and keeping everyone in line. She watched for me out the front window and greeted me lovingly at the door.

Rest In Peace BellaDonna
