

Bilbo Baggins Taylor

June 29, 2025 - July 2, 2025

Bilbo Baggins was my little foster baby. We unexpectedly got him on Sunday after a lady found him laying in her driveway on her way to my house to have my dad work on her car. We only had him a few days but we already loved him so much. Bilbo loved his blankies, to be swaddled, suckle on your finger, chin, and his suckle blankie. He also loved to cuddle up next his toy piggie and to be tucked into your neck to take a little nap, anywhere that was warm and cozy was his favorite spot to be. In his short time he had the lungs of a banshee and knew how to boot scoot and boogie it and the appetite of a full grown man lol. He had already brought so much love and joy into our lives in those few days with him. Bilbo, you were such a brave and sweet boy. We will never forget your sweet face, nor ever stop loving you. Now your up there with Paw Paw Sam and he probably already has you on his lap calling you "his little buddy" and Baxter boy is probably fussing over you, he always loved the foster kittens I'd bring home. Rest easy our sweet boy. We love you Bilbo. ♡

Rest In Peace Bilbo Baggins
