

## Canary Nicole Spradlin

January 21, 2025

Canary Nicole Spradlin was a 3 year old Rottweiler/Australian Shepherd Mix. Canary's favorite toy's were Pig, Bones, and her Rope. Canary's favorite treats were Steak Bites, and Peanut Butter. Her favorite things to do were chasing cats, laying with her human mom and brothers, taking long walks and playing in the snow. A favorite memory was her first snow and the first time she got in the pool, but we love all her memories.

Rest In Peace Canary
