

## Charity & Chance Muncy

December 25, 2024

Charity was an 18 year old white miniature poodle. Chance was a 15 year old miniature poodle. Their favorite toy was a bean bag type throw toys in red and blue. Their favorite treat was popcorn. Charity and Chances favorite thing to do was chase each other and hide at bath and grooming time. Another favorite memory of Chance was several weeks after his arrival at her house, he finally felt comfortable enough to sit in her lap and let her pet him. He was a rescue dog and had been severely mistreated. For charity, she had been burnt in a fire and her lungs had been damaged. She finally realized she could bark again when a mirror was placed on the floor and she thought there was another dog in the living room.

Rest in Peace Charity and Chance.
