

## Chloe Malcomb

January 8, 2025

Chloe was an 11 year old Yorkshire Terrier. Her favorite toy was a Red Smiley Face Squeaky. Chloe's favorite treat was cheese. Her favorite things to do were play with her toy, guard her yard, and sit on the porch with mommy. My favorite memory is that at bedtime every night, she had her routine. As soon as she saw me heading that way, she followed and waited to be lifted to bed to snuggle.

Rest In Peace Chloe
