

## Chumly Salmons

October 3, 2012 - June 2, 2025

Chumly Salmons, 12, crossed the rainbow bridge Monday June 2nd, 2025. Born to his loving family on October 3, 2012. Chumly left an impact on so many lives as he loved anyone who he came in contact with and just wanted his lovin's. He loved his townhouse crackers and anything fluffy as he loved to cover the house in "snow." Chumly leaves behind two fur siblings, Denai and Axle. Two fur uncles whiskey and bourbon who he loved to bark and run with. His mom and Dad (Haley and Kody), Brother (Kashton), Mamaw and Papaw (Russ and Geri) and special friend, Junior. The little pitter patter of his feet running the floor and the fight for the pillow every night will be deeply missed.

Rest In Peace Chumly

“ *Lil Chum Bucket He was a sweet little boy and loved being the center of attention from not just one but from everyone. When I'd puppy sit as I have many times over the years. He'd always sleep right beside me at night. He loved to snuggle. Sure gonna miss my lil snuggle buddy. Love ❤️ you lil man.*
