

Cougie Salyers

December 7, 2023

Cougie Salyers came as a stray. She was approximately a 15 year old Shiba Inu Mix. She didn't play with toys, she just loved hanging with mom. Cougie's favorite treats were Hot french fries, Chicken and milk bones. Her favorite thing to do was Be Nosey 😊 She loved to check everything out. Loved going for walks to the park and sitting in the sun. My favorite memory is her waking me up every morning because she was ready for her morning lovings. Cougie loved nudging me to get me awake. She would Always come and nudge me when she was ready to eat. She is so missed.

Rest In Peace Cougie
