

## Dachs Jude Aus Dem Bach Cole

May 9, 2012 - September 2, 2025

Dachs (Dax) Jude Aus Dem Bach Cole, a 13 year old German Shepherd, of Kenova, WV crossed the rainbow bridge on Tuesday, September 2, 2025. He was born on May 9, 2012 in Proctorville, OH, son of the late Azar Von Himmelhoch (Dudley) and Gabrielle Nakita (Gabby).

Dachs left behind his human family, parents Rob and Shanda Cole; sister Madalynn Cole; grandmother Sue Carpenter; uncle and aunt Danny and Denise Spears and many others who loved him.

In his younger years he loved to run beside his dad while he was mountain biking at Beech Fork. He also loved water and to swim. If there was even a puddle he would be in it but he always asked permission first by pausing and looking at us to give him the ok. His name meant "from the creek" and it sure fit him. He would do anything for food, there wasn't much he didn't like. If you had food he would most likely be by your side bumming. Even when we didn't have food he never left our sides. His unconditional love and protection will forever be missed. As his grandmother always said "he is just a special dog".

Rest In Peace Dachs Jude Aus Dem Bach Cole
