She was my heart. At the age of 17 years old she was still a puppy at heart. She loved to lay in the grass. She had to be with me at all times. She found cancer in me twice two different kinds. She never met a stranger. Loved her grandmother also. She loved treats. She lost an eye several years ago and lost the sight in remaining eye about 3 years ago. It didnt stop her she still knew if I wasnt with her and would look for me. Steps were not an issue she still went up and down. She was a fighter and overcame a lot. I will miss her greatly.

Rest In Peace Daisy Lou
