

DiDi Pratt

August 8, 2008 - June 29, 2025

DiDi was a 16 year old (8/8/08 - 6/29/25) Sphynx, her favorite toy was her brothers stuffed snake he would lay beside her. Her favorite treat was Fancy Feast Gems, and a few of her favorite things to do included lay on her mama's lap, and sleeping under her cozy blanket. A favorite memory of DiDi was her loving personality, friendly to everyone she met, and the love she had for her mama.

Rest In Peace DiDi

“ Words are never enough when you lose part of your heart! While I never met Didi I loved seeing her pictures on FB and would show them to people all the time. She will definitely be missed!!
