

Dolo Rife

November 29, 2024

Dolo was a 22 month old American Bully. His favorite toy was his "Donut" toy and blankets. Dolo's favorite treat was bacon. His favorite thing to do was play with his blankets. He would drag them around the house, and try to get us to play tug with him. My favorite memory is snuggling and bottle feeding him from 1 day old. ♡

Rest In Peace Dolo
