

Dozer Halstead

January 15, 2026

Dozer was a 13 year old Brindle Red Nose Pitbull. His favorite toy was Tennis Balls, and his favorite treats were Hamburgers and Popcorn. Dozers favorite things to do were steal blankets, he loved to run, and he loved cuddling and chasing his partner Ryleigh. A few favorite memories of Dozer include being a wonderful listener, an amazing best friend, and big brother to all his kitty siblings. Once he loved you, he loved you forever.

Rest In Peace Dozer ♡
