

## Drogan White

December 18, 2024

Drogan was a 14-1/2 year old Pug. His favorite treat was any and everything! If you got it, he'd eat it. Drogan's favorite thing to do was snuggle with mom and dad. He loved to be touching someone. At night, Drogan had to be in mom's bed, preferably between mom and dad. Our favorite memories are all of them. He loved to eat so whomever had something, there was our boy. He also used to sit like a human. When he wanted to be held or wanted attention, he would lean himself into you and lay his head on you. Best boy, ever!

Rest In Peace Drogan
