

## Earl Estep

February 4, 2026

Earl was a 9.5 year old Dapple Dachshund, his favorite toy was his squishy ball and favorite treat was cheese. A favorite thing that Earl loved to do was play ball with dad in the pool. A favorite memory of Earl was every year, Earl would go nuts when he realized it was time to open the pool. He'd leap off those steps with such joy. We were lucky to get to see him so happy in the water over and over and over. He'd get in with and without us.

Rest In Peace Earl

“ *I'm so glad to have been part of Earls life. He loved his Jodi so much. Having him at a few of our yoga classes brought everyone so much joy. His excitement of greeting each of us on our mats is one of my memories I will always remember.* □
