

Ember Jade Norman

November 27, 2025

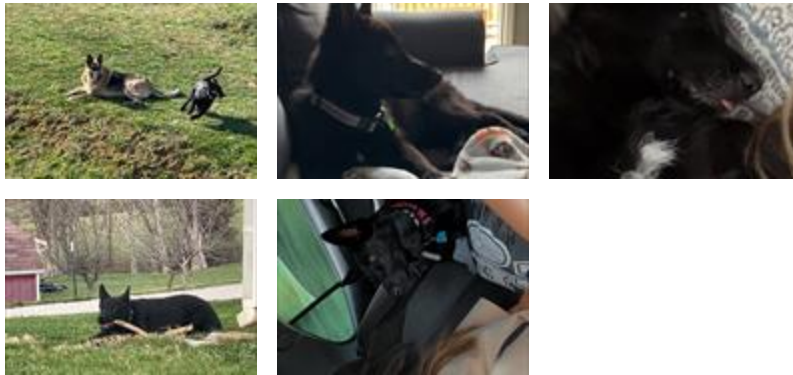

Ember Jade was a 11 months, 7 day old German Shepherd. Her favorite toys were her tennis ball and the stuffed dog she had since 4 weeks 3 days old. Her favorite treat was Beggin Strips. Some of Ember's favorite things to do were play ball with Cleo, Molly, and her daddy. Also to lay on top of mom so nobody can touch her. Some favorite memories of Ember Jade was when Ember, Molly and Cleo circled around mamaw and tripped her then watched her fall to the ground, also going camping and Ember swimming with everyone in the lake.

Rest In Peace Ember Jade

“ I’m gonna miss you Ember. I loved the times when I would watch you and Cleo and you all would just lay on the couch with me. Also when you would try to eat my head.
