

## Fozzi Harmon

November 8, 2024

Fozzi was a six year old Aussiedoodle. His favorite toy was anything that makes crinkle noises or filled with fluff. Fozzi's favorite treat was Dentalife. His favorite thing to do was go for walks at the park and meet new people. Our favorite memories include Fozzi loved to go on car rides in daddy's truck, especially when we end up at the park and getting ice cream, laying on mommy's lap, while she scratches my belly.

Rest In Peace Fozzi
