

Furby Grayson

March 10, 2025

Furby was a 15 year old Shih Tzu/Toy Poodle mix, who's favorite toys were donuts and ropes, and favorite treats Slim Jims and bologna. Furby's favorite thing to do was sleep with me, follow me everywhere and go outside. A favorite memory of Furby was seeing him get happy to see me no matter how long I was gone. All the times he'd go anywhere I went. He just loved being around me only.

Rest In Peace Furby
