

Good Karma's Wookiee Lyninger

April 23, 2026

Good Karma's Wookiee was a 15-year-old Pembroke Welsh Corgi. Short in stature - she was mighty in stubbornness and had enough swagger for ten Corgis. Wookiee loved any toy with a squeaker in it and would diligently work to have it removed within fifteen minutes or less. Wookiee didn't turn her nose up at anything food-wise - usually even medicine, but her favorite treat was any human food and Pupperoni. Wookiee's favorite thing to do was eat and herd her fur-siblings. Mommy would look at the window and Wookiee would have all three of her "herd" lined up outside the dog door waiting to be let inside. Mommy's favorite memories of Wookiee include all of time spent loving and playing, however; our "photo shoot" in the tulip field stands out as one of the most memorable. Wookiee looks like the regal queen she was standing peacefully amongst the flowers. Another favorite is Wookiee's best trick - giving kisses on the command "kiss." All of us who knew Wookiee consider ourselves blessed to have had her to love. We are so appreciative of the time we had! Wookiee, we miss you and your bossy ways. We love you and look so forward to seeing you again!!!!

Rest In Peace Good Karma's Wookiee

Tribute Wall

“ Wookie was good doggy who stole a big part of Mommy’s heart. 💜
Take care of it, Wookie, until you see Mommy again
