

Grace Northup

November 13, 2024

Grace but answered to "Horsey", "Goobie" and "Gracie Girl" was a 9 year old Fawn Great Dane. Her favorite toy was a tennis ball and rope. Grace's favorite treats were Milkbones and homemade Pumpkin treats (or anything left on the counter). She loved to play fetch with a stick or tennis ball and loved "tug-of-war" with a rope. Grace was a wonderful big sister to "Jazzy and Milo". It's so hard to only put one favorite memory... 1) When she first joined our family, she was so clumsy and awkward that we couldn't help but name her "Grace" (because she wasn't). 2) When she was about 2, she figured out how to dispense ice from our refrigerator. 3) She was so patient with her 5 lb little brother and let him walk all over her.

Rest In Peace Grace
