

Happy Bradley

March 18, 2025

Happy was a 12 year old Beagle Mix. Happy's favorite toy was his Froggy, and his favorite treat was Beef Bites. Happy's favorite thing to do was laying in the sun on the back porch and going on walks to sniff everything. A favorite memory of Happy was bringing him home and it was raining, so we wrapped him in a dish towel. Another favorite memory was seeing his face in the window when we came home from work.

Rest in Peace Happy
