

## Hollywood Lyninger

October 22, 2024

Hollywood Lyninger was a 13 year old Jack Russell Terrier. Hollywood didn't really play with toys. He would play a little bit with squeaker toys and anything that he could chew. Hollywood's favorite treat was any type of bone (he loved to chew) and Pupperoni. His favorite thing to do was he enjoyed playing with other dogs – especially his daughter, Burfy – and running around. Hollywood and Burfy liked to chase each other. They would take turns. Hollywood loved belly rubs. He would lay on his back at every opportunity inviting everyone to rub his belly. My favorite memory is during Covid taking Hollywood and his “fur relatives” to our family property and watching him frolic around the land – playing, running, sniffing and exploring. 😊 We all took a ride in a wagon around the land. He enjoyed the freedom of the expansive wilderness and being lazy around a campfire at night.

I will always be thankful for the time I had with Hollywood – although it was too brief. I love and miss you, Hollywood!!!! Mommy will see you on the other side of the Rainbow Bridge.

Rest In Peace Hollywood.
