November 19, 2024

Itzy "Doot Doot" was a 15 year old tea cup maltese. Her favorite toy was cat toys! and Q-tips. Itzy loved hamburger and potatoes. Her favorite thing to do was sunbathe in front of the glass door, lay on her heating pad, go on road trips, and eat! She loved eating. I never knew where she put it all! I have so many favorite memories with her, but one that sticks out the most would be, the first time we took her to the beach. She usually is very anxious, but she loved it! She walked around and sniffed the sand for hours. She even got near the water a few times, which was huge for her! She was peaceful.

“ When I went to pick her up for the first time, I was shocked! She was so tiny ❤️ she was the size of a little hamster. To be so little she brought so much joy and happiness to our family for many many years. Forever in our hearts. We love you Doot Doot

“ I'll never forget when we finally met up after years not having contact. She ran up to me & I scooped her up and immediately Casey was like “that’s so unlike her. She likes you.” It was precious. Rest easy, sis. You did well.

“ Love our Doot doot.  
She was so tiny. I remember the time we rolled over in bed and pulled the comforter and we flung her up in the air. 😂  
Then she got mad at me and 💩 on my pillow. She was amazing ☐  
  
She is so precious.
