

Jack "Jack-Kitty" Layne

August 27, 2024

Jack (Jack-Kitty) Layne was a 12 year old domestic shorthair. His favorite toy was Shrimpy. Jack's favorite treat was Churu. His favorite thing to do was bedtime. We have so many favorite memories, it's hard to choose just one. As a kitten, he would lay on the computer keyboard and paw at the screen to 'defeat the monsters' on the video game. He loved being scratched and petted, especially his belly. He followed us all over the house. He had a great personality and loved having conversations with us. He never met a box that he didn't like or a blanket he didn't love to lay on.

Rest In Peace Jack (Jack-Kitty) Layne
