

Jasper George

January 3, 2025

Jasper was a 15 year old Goldendoodle. His favorite toy was his Ducky (stuffed duck). Jasper's favorite treat was Milk Bones. He just loved to be with his family and roll around in the grass. Our favorite memory of Jasper is picking him up for the first time. We knew from the first time we saw him, that he was meant to be with us.

Rest In Peace Jasper
