

## Katara Dawn Hicks

June 2, 2026

Katara Dawn Hicks was a 19 year old Chihuahua / Pit bull mix. Her favorite toy was socks. Katara's favorite treat was Sheetz's cheese curds. Her favorite thing to do was follow mommy everywhere, and lay her head on mommy's lap. Our favorite memory is when we went camping she loving running and chasing anything that moved. And no matter how bad of a day, or sad I was, her smile would lighten the mood.

Rest In Peace Katara
