

Laylah Jane Newton

February 22, 2019 - May 21, 2025

Laylah Jane Newton, also known by many names in our home like "Princess Laylah", "Honey Girl", the list goes on, crossed the Rainbow Bridge on Wednesday May 21st, 2025 just before midnight. Laylah was a 6 year old Heinz 57-mixed breed angel who came into our lives on May 25th, 2019 at 3 months and 3 days old. She was the most perfect girl-only chewed on her own toys, listened, cuddled, and most of all, loved. All her life Laylah was so full of personality and joy. She was very much a Daddy's girl, but she loved her Momma just the same. Laylah's kitty sister, Tsavani, age 5, misses her greatly and has been a big comfort to us in the days since her passing. Though we will never know exactly what it was that took her from us so suddenly, we are grateful for the 6 years of joy, love, and happiness she brought to our lives. She was our first baby and connected to our souls in a way we've never felt before. We will love her and miss her eternally, until we can be reunited once more.

Laylah Jane

2/22/19 - 5/21/25

Laylah Jane Newton out of her many, many toys, loved her Deer Antler, Squirrel, and Polar Bear. Milkbones were her favorite treat! But her true loves were french fries :) . Laylah loved to go on hikes, go to her mimi's house aka "The Barn", watch the birds and play tug of war. A favorite memory was when

Laylah traveled with us to North Carolina to visit my great aunt a couple years ago and we had the best time. She was so good and got to see and sniff so many new things. But our favorite memories are the many mornings of cuddles in bed 

Rest In Peace Laylah Jane
