

Lil One Ross

February 26, 2026

Lil One was a 11 year old Chihuahua. His favorite treat was bacon and his favorite things to do were car rides and when he came to his dad to get his butt patted. A favorite memory of Lil One was the way he would growl and bark at Ernie, and when he would come to my bedroom door after we went to bed to check in on us and to say goodnight.

Rest In Peace Lil One
