

Louie Gullett

January 30, 2025

Our sweet boy's name was Louie. He was a rescue so we don't really know how old he was but he was at least 13 years old. He was a basset hound who was very treat motivated. He'd oftentimes go outside to potty and wouldn't even get off the porch before howling to get back in so he could get his treat. Smart boy! He didn't care for toys, he'd rather lay on his bed and nap the day away while snoring like a grown man. My favorite memory of him is how he'd lay his head in my hands and let me rub his ears and the sides of his face with my thumbs. He would close his eyes and grunt his satisfaction. We had him almost three years and that wasn't nearly long enough. We miss him every day and we'll love him until our time is up. We love you, Louie. Thank you for coming to live with us.

Rest In Peace Louie
