

Macey Moo Gallion

November 19, 2024

Macey Moo was a 10-1/2 year old rescue pup who was loved so much. A local adoption event posted a picture of her in June of 2014 and I knew we needed to add her to our family. She came to us at 6 months old and she gave us so many good memories. During a tough time of life, Macey spent her mornings sharing French Toast & Bacon with her Dad snuggled up in the recliner watching episodes of Andy Griffith, which she loved! When her human sisters were born she loved them hard and even went as far as sharing her favorite toy with Charly. Macey loved a good winter snow where she could go out and run and play. Then in her older years she enjoyed laying at the feet of anyone who would pet her and tell her what a good girl she was. Her favorite toy was her blue KONG wubba. Her favorite treats were Thanksgiving turkey, sliced cheese and bacon. She also enjoyed a pup cup on special occasions. She is missed by her mom, dad, 2 human sisters; Charly & Dylan, & by her special cousins; Ethan & Brooklyn.

Rest in peace Macey Moo.
