

Maya Lewis

October 7, 2025

Maya was a 11 year old short-hair, her favorite toy was a christmas squeaky mouse and favorite treat chicken temptations. Some of Maya's favorite things to do were scratch the post on the deck, and hiss at the other cats. A favorite memory- Maya was found in a tree at a young age. She was a sweet cat when she wanted to be, but she was never a lap cat, very vocal. She is very missed.

Rest In Peace Maya
