

## Millie Wheeler

March 20, 2025

Millie was a 15 and a 1/2 year old Dachshund. Millie's favorite toy was her Stuffed Carrot and her favorite treat were Pupperoni Sticks. Millie's favorite thing to do was ride in the golf cart with her late "Dad" Bill on the beach. A favorite memory is when I went to the pet store and was holding her and she started chewing on my thumbnail, I knew she was the one I wanted.

Rest In Peace Millie
