

## Milo "Mocha" Mays

May 14, 2025

Milo, a beloved 10 year old American Staffordshire Terrier mix, may have left this world, but his impact on his family will be felt for years to come. With his nickname "Mocha" he reminded them of the warmth and richness of life. Milo's family, including Anthony & Sabrina Mays, Hayley & Jacob Ireland, and their cat Ginger will deeply miss him, but they will continue to draw strength from the memories they share of him. As a devoted companion, Milo brought comfort and happiness to his family, always knowing when they needed him most. His love for car rides, lounging in the sun and cuddling will never be forgotten.

Rest in Peace Milo "Mocha"
