

Misty Scott

March 13, 2025

Misty was a 15 year old Pekingese. Misty's favorite toy was her Emoji Plush, and her favorite treat was Gerber Lil Sticks. Misty's favorite thing to do was eating snacks and having her tummy rubbed. A favorite memory is that Misty loved to play fetch with her favorite toy. She would chase it down, toss it into the air and bounce it off her nose. We really enjoyed watching her play.

Rest in Peace Misty
