

Moe Hebert

July 29, 2025

Moe was a 15 year old Poodle. His favorite toy was Gator Gus. Moe's favorite treat was Pizzle (rawhide) and Nudges jerkey treats. Moe loved to be by his Mimi's side, as well as play tuggie and go hiking with his family. He also loved to go to work at our business, Now Hear This as the mascot and give and receive a whole lot of love. Our favorite memory is if Moe didn't feel that he was getting enough attention then he would pull all the laundry out of the basket and then bark until you came to see what he had done.

Rest In Peace Moe
