

Mona Gaddy

July 24, 2024

Mona was the sweetest little girl. She was my first cat and stole my heart from the day I met her. She wandered onto my porch back in the summer of 2017. I fed her and kept her safe in her own little house outside for that first year until I brought her inside the following year. She definitely had a previous owner so she was unfortunately abandoned but I gave her more than enough love. Mona was very vocal. Always meowing wondering where I was and yelling when it was time for food. She cuddled with me, but only when she wanted to. She was a spoiled princess. Mona had to cross the rainbow bridge far too soon. Her liver had failed her and she developed a growth in her stomach so I had to make the difficult decision and didn't want her to be in pain any longer. I had her for 7 years which felt much too short. She'll always be remembered and have a place in my heart forever. I love you Mona!

Rest in Peace Mona
