

## Muffin Slater

September 14, 2003 - December 14, 2024

Our beloved furry feline, Muffin Slater was born September 14, 2003 and crossed the rainbow bridge at the age of 21 years old on December 14, 2024. Muffin was a gray tabby cat and her favorite toy was “Mr. Mogie” (a toy caterpillar). Muffin’s favorite treat was the chicken temptations but also loved her paté, although she was a picky eater. Muffin came into our lives unexpectedly when Briana and Bethany were just 5 years old and was a comforting companion since. Briana had chosen Muffin out of the litter because she stood out the most. Muffin (“Muffy”) was a playful and beautiful cat that was there to grow with us through every stage of life and a friend to cuddle with so we weren’t alone. She brought so much joy and happiness into our lives. She loved to be pet and to watch animal planet. There are tons of memories to share but one of our favorites are that no matter where Muffin was, saying “Hey there Muffy!” would have her come running to you with meows and endless purrs. Muffin is survived by her favorite humans, Briana (26), Bethany (26), Mike (53), and Cecilia (48).

Muffin, you are loved and so so missed!! It’s not “goodbye” it’s “see you later”

Thank you for 21 years of love!
