

## Munchkin Skeen

October 23, 2024

Munchkin was a 13 year old Brussels Griffon - a rescue. Her favorite toy was her baby (a doll with a large head). Munchkin loved all treats, especially Pupperoni and Marrow bones. Her favorite thing to do was to be cuddled; especially belly and head rubs - walks where she was a hunter, and playing with Ziggy. My favorite memories of Munchkin was her always sleeping with me with her head on her pillow. When younger, she would dig deep holes when she smelled something. She never did anything wrong and was my heart. ♡

Rest In Peace Munchkin
