

Niko Rowe

March 20, 2025

Niko was a 2 year old chocolate lab. The sweetest, silliest and most rotten boy ever!

Sweet Niko brought so much joy and love to everyone around him. I got Niko the day he turned 6 weeks old?, from that day on he was my shadow. Every step I took you knew he would be right behind. Car rides were his absolute favorite, mostly because he would almost always get a pup cup, but they always made him so sleepy. He loved playing outside and going on adventures with his brother Doc and sister Loki. They were the best of friends. He loved to cuddle with everyone, especially mom and dad, despite being almost 100lbs he thought he was just a little baby. His favorite treats were chicken nuggets, pup cups and ice cubes. He loved to swim, couldn't keep him out of the water if he was around it. His favorite toys were deer antlers, anything that came from his bark box, and sticks.

Niko touched hearts of everyone that ever met him, he was a big lover boy with those big brown eyes you could never say no to.

Niko Pico Train, you are missed so so much, and loved more than you could ever know. I hope you're running the hills of Heaven and swimming your heart out. I love you big guy!

Love,

Your momma

Rest easy Niko Boy
