

Oliver Wood

November 4, 2025

Oliver was a 10 year old Bichon Frise, his favorite toy was his Lambchop and favorite treat Vienna Sausages. Some of Oliver's favorite things to do were look out the window and cuddle. A favorite memory of Oliver : We were cooking dinner one night and he somehow got ahold of a whole raw potato and ate half of it before someone could pry it out of his mouth.

Rest In Peace Oliver
