

Oscar Haney Henderson

April 8, 2025

Oscar Haney Henderson, 2010 - 2025. Oscar was a 14 year old Yorkie. He came to live with his family, Amy and Davey, when he was only 8 weeks old. Oscar was very loving, energetic, and always had to be the center of attention. He spent most of his time cuddling with his dad on the couch and laying in the living room window where he could keep an eye on the neighborhood. He enjoyed camping at Greenbo, visiting his grandparents, and greeting customers in the hair salon where his mom worked. His favorite toy was monkey, who he would carry from room to room, would bury, and "bull doze" off the bed. Oscar also loved trips around the Dairy Queen drive-thru, rolling in the yard, and when his dad would sneak him a bite of pork chop. Oscar touched the hearts of everyone that knew him and he will never be forgotten.

Rest Easy Our Little Buddy,
Love Mom and Dad

Rest in Peace Oscar
