

## Ozzy Ball

February 23, 2026

Ozzy was a 16 year old Yorkie/Silky Mix. My favorite treat was Pup-Peroni, I love them! My favorite thing to do was lay with my human mom and dad. To be anywhere and everywhere with them. Our favorite memory of Ozzy was when we would come home he would run all over the house barking and howling with excitement. Even when it was us gone for an hour! ♡

Rest In Peace Ozzy
