

## Paris Blinn

December 30, 2024

Paris was a 15 year old mini poodle. Her favorite toy was a purple monster. Paris' favorite treat was cheese. Her favorite thing to do was lay in her mommy's lap and to be with mommy all of the time. My favorite memories include cuddles, Paris learning sign language. Paris always knew when I (Stephanie) came home. She would go from room to room looking for me.

Rest in Peace Paris
