

## Rudy

October 1, 2024

Rudy was a 12 year old Yorkie. His favorite toy was anything that squeaked and any kind of ball. Rudy's favorite treat was beef jerkey sticks. His favorite thing to do was play with a toy and stay under grandpaw's feet. He also like to go to bed with grandpaw. My favorite memories include him barking at grandpaw to throw his toy, so he can chase it. Him barking at the other dogs when they got to close to grandpaw and me when I would get the drill or to close to grandpa.
