

Ruger Lowe

February 20, 2026

Ruger was a 6 year old German Shepherd. His favorite toy was his Blue Chuck-It-Ball, and favorite treat was Milk Bones. One of Ruger's favorite things to do was play ball. A favorite memory was when we took Ruger fishing on the boat at Lake Vesuvius. A horse fly buzzed around him almost the entire day. Ruger had enough he snapped at the fly, lost his balance, and tumbled right over the side of the boat.

Rest In Peace Ruger
