

Sadie

October 1, 2024

Sadie was a 12 year, 1 month old Lab mix. Her favorite toy was Lamb Chop or anything with a squeaker. Sadie's favorite treats were bread and turkey. She loved to take walks and go on car rides. Sadie loved to snuggle. She also loved to be around her people. Sadie made everything great. Every memory with her is cherished. To know Sadie was to love her. She was my constant companion, my friend, my comfort, and honestly, the love of my life.

Rest In Peace Sadie

“ *It's been a year and 5 months since Sadie took her last breath. I miss her every day. She brought so much life, love, and laughter to my life. Sweet Sadie, you are loved and missed. I'll meet you there... Momma*
