

Sadie Burger

May 1, 2025

Sadie was a 10 year old German Shephard/Walker Hound Mix. Sadie's favorite toy was her bone or her Lady Bug Stuffie (minus the face). Her favorite treat was bacon, and her favorite thing to do was swim with mommy and play in the creek/puddles. A favorite memory was hearing her cry when I got home because she was so excited to see me. She was my protector and my bestfriend. She was with me when I graduated High School and moved into my first house. We went through so many life changes and battles together and at the end it was always me and her. She will be a memory that will absolutely never fade, but I will miss her every single day.

Rest In Peace Sadie
