

Sam Neal

January 9, 2025

Sam Neal passed away and went to the Rainbow Bridge on January 10th, 2025 at the age of almost 20 years. Sam was a beloved member of our family. I got Sam and his brother Jake when they were homeless kittens. Sam loved everyone and he loved his fur siblings, Cody, Jules, Sassy, Stevie Jo, and Jake, who welcomed him to the Rainbow Bridge. Sam's favorite treat was anything chicken flavored. His favorite toy was a floppy fish. Sam loved sitting on the window keeping watch on what was going on outside. In his younger days, Sam loved to run and play with Jake and his other fur siblings. My husband and I adored Sam and he will be greatly missed. He is with his family who were waiting on him at the Rainbow Bridge. I love you Sam, and I'll see you when I get there. ??

Rest In Peace Sam
