

Sasha Dawn Fuster

August 17, 2008 - September 19, 2024

Sasha Dawn Fuster was 16 years old, born 8-17-08 and crossed the rainbow bridge on 9-19-24.

She was a Pomeranian and her favorite toy was her purple hippo. Sasha's favorite treat was doggy trail mix. Little Sasha enjoyed so many things like going bye-bye and she always knew when mommy got her bows, outfit or coat that we were going somewhere. She also knew when mommy got out the suitcase that we were going to go to the big bye-bye out of town. She would get so excited until we got on the road.

When it comes to memories, they are all so special. She would sleep with mommy and daddy and in the morning when we would wake up, she would jump into the middle of us and start to dig, dig, dig, then rub her little face in the covers. When Sasha got excited, she would start doing her real fast circles, and that was so precious to us.

Sasha loved her mommy and daddy just as much as we loved her. Sasha, we are going to miss everything about you – your prissy little walk and strong personality and the list goes on. Mommy and daddy will always cherish the memories you gave us and you will forever be in our hearts. We love you, baby girl.

Rest In Peace Sasha Dawn
